A message in a bottle is a form of communication in which a message is sealed in a container (typically a bottle) and released into a conveyance medium (typically a body of water).. Messages in bottles have been used to send distress messages, in crowdsourced scientific studies of ocean currents, as memorial tributes, to send deceased loved ones' ashes on a final journey, to convey expedition ...

Message in a bottle - Wikipedia

A musical ensemble, also known as a music group or musical group, is a group of people who perform instrumental or vocal music, with the ensemble typically known by a distinct name. Some music ensembles consist solely of instruments, such as the jazz quartet or the orchestra. Some music ensembles consist solely of singers, such as choirs and doo wop groups.

Occasionally, you might get a LinkedIn message from a recruiter out of the blue. Hays' Nick Deligiannis has advice on what to do next.

Got a LinkedIn message from a recruiter? Here's what to do

Plus people are shouting it out like there's no possibility that it's already in the works for one of the upcoming DLC. That's the part that gets me, people thinking that survival and the underground (or same activity type as them, just situated/named differently) have no chance of returning to the game despite them showing to be reasonable success in the first game which should almost ...

In my 25 years of writing piano music, I've arranged over 180 compositions, about 160 of which I've released to the public on CD. A fan who read my advice for pianists article asked if I'd write a similar article for beginning composers. So, I've put together these 12 composition tips for anyone who would like to compose music for the piano.
