McKinsey & Company - Wikipedia

A waterfall chart is a form of data visualization that helps in understanding the cumulative effect of sequentially introduced positive or negative values. These intermediate values can either be time based or category based. The waterfall chart is also known as a flying bricks chart or Mario chart due to the apparent suspension of columns (bricks) in mid-air.

Overview. Prior to its premiere, SOAPnet had announced that Night Shift would "delve deeper into the relationships, friendships and medical cases seen at the hospital." It was noted that unlike General Hospital itself, the stories on Night Shift would be "self-contained and wrap up during each weekly one-hour episode," as well as being "understandable to viewers who do not watch General Hospital."
