Hiding from the world and himself in a New Orleans studio for several years, a damaged Reznor creates the sprawling opus *The Fragile* and the palette once again expands for what to expect from Nine Inch Nails. A dense and difficult listen requiring attention and repeated listenings, it is now considered by many hardcore fans to be their favorite NIN record.

We tend to accept that people in authority must be right. It's this assumption that Socrates wanted us to challenge by urging us to think logically about the nonsense they often come out with, rather than being struck dumb by their aura of importance and air of suave certainty. This six part series
