Foreword. FOR ME, THE HEART OF POLITICS is not political theory, it is people and how they want to live their lives. No one who has lived in this country during the last five years can fail to be aware of how the balance of our society has been increasingly tilted in favour of the State at the expense of individual freedom.

Introduction 1. From Athens to Rome. The imperium Romanum. . . this most admirable work of art in the grand style was a beginning; its construction was designed to prove itself through thousands of years: until today nobody has built again like this, nobody has dreamed of building in such proportions sub specie aeterni. This organization was firm enough to withstand bad emperors: the accident ...
