The Whole Equation A History

With the same style and insight he brought to his previous studies of American cinema, acclaimed critic David Thomson masterfully evokes the history of America's love affair with the movies and the tangled history of Hollywood in The Whole Equation.

The Whole Equation: A History of Hollywood: David Thomson ...

Community Reviews. Thomson is a guy who is utterly enthralled by the cinema. The Whole Equation was a doomed enterprise from the very start, of course, at least in a way... one man, one volume, could not hope to encompass the whole of Hollywood's history from its inception in the 19th Century to the 21st.

The Whole Equation: A History of Hollywood by David Thomson

With the same style and insight he brought to his previous studies of American cinema, acclaimed critic David Thomson masterfully evokes the history of America's love affair with the movies and the tangled history of Hollywood in The Whole Equation. Thomson takes us from D.W. Griffith, Charlie Chaplin, and the first movies of mass appeal to Louis B. Mayer, who understood what movies meant to ...

The Whole Equation: A History of Hollywood - books.google.com

The Whole Equation is a study in one man's passion for, insight into and knowledge of Hollywood film history. Immediately upon having had the pleasure of hearing David Thomson speak (he was introducing a film that was part of a series inspired by "the Whole Equation") I raced to my nearest bookstore and invested in his latest work.

The Whole Equation: A History of... book by David Thomson

Forget The Whole Equation's subtitle: The latest from provocative film historian David Thomson never even attempts to be a comprehensive history of Hollywood. At most, it aspires to be an impressionistic, highly subjective meditation on the complex, contradictory relationship between art and commerce, the American film business, and the company town that serves as its Mecca, a place where ...
