Goose Creek (\$6.95) 75-80 days. (HG) (E) This delectable historical family heirloom is one of the rarest plants we offer and our top seller. The flavor and color run deep in Goose Creek, a stunning, deep dark reddish-pink fruit, I call it scarlet or garnet, round or slightly flattened, sometimes lobed, with occasional tiny gold streaks and speckling.

There are so many reasons to grow from seed: First, it's more affordable than buying plants. Next, you can find a greater variety in seed catalogs than what's typically available at the nursery. The last—and maybe most compelling—reason is that watching those first shoots emerge from the soil never ceases to delight. To know when to start planting, check the packet for each variety you're ...
