Do not be deceived: Leftism is an enigma. We need a theorem that explains not one or two aspects of Leftism, but all their traits. The theory must explain, first, the honest decency of the modern liberals combined with their astonishing indifference, nay, hostility to facts, common sense, and evidence; second, it must explain their high self-esteem (or, to be blunt, their pathological ...

A dream is a succession of images, ideas, emotions, and sensations that usually occur involuntarily in the mind during certain stages of sleep. The content and purpose of dreams are not fully understood, although they have been a topic of scientific, philosophical and religious interest throughout recorded history. Dream interpretation is the attempt at drawing meaning from dreams and ...

Dream Theater's EP 'A Change of Season's' definitely is an EP even though the entire run time is over 57 minutes. The reason for this is there is only the one original track on this EP which runs over 23 minutes, a suite that was originally written for inclusion on the album 'Images and Words', but for some reason, it was left off that album and released this way.
