Richard Wright's autobiographical book *Black Boy* reveals both the conspicuous and insidious effects of racial bigotry in the southern United States during the 1920s. Readers will learn about the cruel and demeaning ways African Americans were treated by whites, the limited opportunities for employment and education that were available to blacks, the role Christianity played in black life, and ...

Black Boy - Book Review - Common Sense Media

There's a reason Tressie McMillan Cottom is called one of "America's most bracing thinkers on race, gender, and capitalism" by Rebecca Traister, "no intellectual lightweight" by Brittney Cooper, and "the author you need to read now" by the Chicago Tribune.

The New Press

It is one of the great ironies of American labor history that enslaved workers toiled at a wider variety of skilled tasks than did their descendants who were free. Slave owners had an economic incentive to exploit the multifaceted talents of blacks in the craft shop as well as in the kitchen and field. But after emancipation, whites attempted to limit blacks to menial jobs.
