I spend a lot of time writing and speaking about picky eating. When I say “picky eater” I am referring to a child who has picky behaviors but can learn to eat a broader diet and change the bad habits that are negatively impacting themselves and their families.

## **"Picky Eaters" Will Not Starve Themselves But Problem or ...**

“eat this or starve” is bad parenting and can be traumatizing for children. As someone who has 2 eating disorders, keep in mind saying shit like “starve or eat your food on your plate” ONLY DRAMATICALLY increases the risk of eating disorders developing. Those with avoidant restrictive food intake disorder WILL starve before eating.

A s passionate cooks go, home based or otherwise, there is one thing in the world that irks us all beyond comparison....meal rejection.. Unfortunately, in my house, this happens a lot. Not that my food is anything but extraordinary and made with so much love it hurts, just that some people around here don't appreciate the same things I do.
