This is a tale of complicated choices, tragedy and mental instability combined with all the bad luck life can throw at you. Told simply at the beginning, the emotional intensity of 'The Girl on the Cliff' by Lucinda Riley tightens and tightens like a old screw turned so hard it can't be loosened. Until finally it gives way.

The Girl on the Cliff is a novel with many strands. There's the present day story of how Grania Ryan meets Aurora Devonshire on the edge of a cliff, how the relationship between the two of them changes their lives, how it brings up a lot of resentment for Grania's mother who has long been privy to the feud between the Ryan family and the Lisle family.

A young couple shared first love one summer, before leaving for different colleges. They swore enduring love, but their romance ended abruptly with a single email. After almost twenty years apart they encounter each other by coincidence at a resort. Now, with completely different lives, there is still the ember of lost love burning between them.
