Let's talk about time blocking. I'm by far not the first to write about the concept. As far as I can tell, Cal Newport coined the phrase and wrote the first article about the idea, but there are dozens of pieces about it. Just google the phrase "time blocking" and you'll find plenty (of varying quality)., but I want to cover it for two main reasons: I think it's an extremely useful ...

Nail art is a creative way to paint, decorate, enhance, and embellish the nails. It is a type of artwork that can be done on fingernails and toenails, usually after manicures or pedicures. A manicure and a pedicure are beauty treatments that trim, shape, and polish the nail. Often these procedures remove the cuticles and soften the skin around the nails.
