The what-if scenario Astrid tells in Darkest Night is so revealing about Astrid's character. She really has so much faith in Hiccup and Toothless, and in the decisions that Hiccup made—and the decisions that she made, because let's be real, Astrid was instrumental in ending the war with the dragons. She's the one that stopped Hiccup from just running away.

The third Woods of Ypres album, Woods III: The Deepest Roots and Darkest Blues, was released at the end of 2007. Contrasting the two albums, critic Laura Taylor wrote, "While Pursuit of the Sun verged on metalized Pink Floyd, Woods' latest unearths more of the band's black and dark metal inspirations". In 2008, the band was featured on the cover of Unrestrained!

Robert Frost was born in San Francisco, but his family moved to Lawrence, Massachusetts, in 1884 following his father's death. The move was actually a return, for Frost's ancestors were originally New Englanders, and Frost became famous for his poetry's engagement with New England locales, identities, and themes.

Black is the darkest color, the result of the absence or complete absorption of visible light. It is an achromatic color, literally a color without hue, like white and gray. It is often used symbolically or figuratively to represent darkness, while white represents light. Black and white have often been used to describe opposites; particularly truth and ignorance, good and evil, the Dark Ages ...
