The graphic novel as we know it started as the comic boom medium elevated to a new level near the start of the 1980s. Starting as just longer comics, the graphic novels emerging around this time set the trend for the future of the medium: elevated characterization, deeper stories, original voices unshackled by the constraints of the comic book industry, and art work that could be at once ...

A narcissist may do something egregiously abusive to you, yet when confronted will scream at you that she can't believe you were so selfish as to upset her over such a trivial thing. She'll also blame you for your reaction to her selfish and exploitative behavior e.g., she can't believe you are so petty and so childish as to balk at her giving your favorite dress away to her friend.
