The Life I Left Behind

The Life I Left Behind. In fact, she no longer really has any friends. She's built a life behind walls and gates and security codes; she's cloistered herself away from the world almost entirely. And then, soon after David is released from prison, Eve Elliot is murdered in an attack almost identical to Melody's.

The Life I Left Behind by Colette McBeth - Goodreads

"The Life I Left Behind is a rare thing; a well-paced, meticulously-researched thriller which is not just gripping but compassionate, too. McBeth's characters are three-dimensional, their motives psychologically convincing, and this includes the victims: much more than mere bodies on a slab, they are real and much-beloved characters with families and friends to mourn them."

The life I left behind - The welcoming back noise - Wattpad

What did you like most about The Life I Left Behind? I think I enjoyed this book more for listening to it through audible - the voices that the narrators allotted to each character were exactly how I would have expected. The concept is a great story, especially the telling of her own story and death by Eve. Who was your favorite character and why?
