Black Hole High (also known as Strange Days at Blake Holsey High) is a Canadian science fiction television program which first aired in North America in October 2002 on Global TV. It is set at the fictional boarding school of the title, where a Science Club (five students and their teacher) investigates mysterious phenomena, most of which is centered on a wormhole located on the school grounds.

Back with more French history! Robespierre is the real star of the French Revolution but Danton is the one who always fascinated me. Robespierre's idealism and cruelty was strange and lofty and alien, while Danton is so much more agreeably flawed and human, and he understood the nature of people better, and yet he still remains just out of reach.

Quests are set objectives that provide rewards when completed. They're kept track of in the quest journal, which can be brought up by clicking the exclamation point icon at the bottom of the date/time display in the upper right of the screen, or by using the hotkey F. Quests are listed in the journal by title, and each quest can be expanded to read the text and requirements for completion.

The first of an occasional thread celebrating old-school paperback novelisations from the 70s and 80s, which are now mostly forgotten. We're not talking great art but these books have their place - they were a fantastic resource from a time when you couldn't watch your favourite film or TV show whenever you felt like it - and I think they deserve to be remembered.
