At Ancient Origins, we believe that one of the most important fields of knowledge we can pursue as human beings is our beginnings. And while some people may seem content with the story as it stands, our view is that there exists countless mysteries, scientific anomalies and surprising artifacts that have yet to be discovered and explained.

German scholar Leo Frobenius could not believe that Black Africans were capable of civilization, so he proposed that African culture was the faded remnants of a high white civilization originating in Atlantis, which they crudely imitated.He supported his hypothesis with a multi-volume book, translated into English in 1913. Below are the first reports of his African Atlantis theory, as recorded ...
