Firegrill Restaurant Bar - Montreal Steakhouse Restaurants

A bar (also called an overbar) is a horizontal line written above a mathematical symbol to give it some special meaning. If the bar is placed over a single symbol, as in $x^{_}$ (voiced "x-bar"), it is sometimes called a macron. If placed over multiple symbols (especially in the context of a radical), it is known as a vinculum. Common uses of the bar symbol include the following.

Visuals are proven to make you and your organization more successful.

eBook + 200 Graphics - Billion Dollar Graphics

A wet bar is a small bar used for mixing alcoholic beverages, which differs from a regular bar in that it includes a sink with running water. A wet bar can increase the rate at which drinks are served because of the sink, which allows for glasses to be cleaned immediately. The sink may also be used for adding water to drinks.

Wet bar - Wikipedia
