Prejudice | Definition of Prejudice at Dictionary.com

Gordon Willard Allport (November 11, 1897 - October 9, 1967) was an American psychologist, who played a major role in shaping the fields of personality psychology and social psychology. A long time and influential member of the faculty at Harvard University, he had wide-ranging interests in eidetic imagery, religion, social attitudes, rumor, and radio.

Gordon Allport - New World Encyclopedia

Antilocution is a form of prejudice in which negative verbal remarks against a person, group, or community, are made in a public or private setting and not addressed directly to the target. American psychologist Gordon Allport first used this term in his 1954 book, *The Nature of Prejudice*, to label the first of the five degrees of antipathy that measure manifestation of prejudice in a society ...

Prejudice - Wikipedia

One of the most heavily studied techniques for prejudice reduction is intergroup contact (Hewstone & Brown, 1986). In *The Nature of Prejudice*, Gordon Allport (1954, p. 281) hypothesized that: . Prejudice (unless deeply rooted in the character structure of the individual) may be reduced by equal status contact between majority and minority groups in the pursuit of common goals.
