Bram Stoker's Dracula was the book that first took a bunch of campfire stories and cultural myths and constructed the modern incarnation of the vampire. It's about a guy from Transylvania (which we're betting you probably couldn't place on a map) who decides he wants to leave his dark, lonely castle at the edge of some obscure European village and enjoy the comforts of Western society.

The idea and image of black Haitian revolutionaries sent shock waves throughout white America. That black slaves and freed people might turn violent against whites, so obvious in this image where a black soldier holds up the head of a white soldier, remained a serious fear in the hearts and minds of white Southerners throughout the antebellum period.
