Implication for ETS. All of this has an important implication for membership in the ETS: What keeps the devil out, and keeps you in, is the connection between the truth of the word and the beauty and preciousness of what it reveals. What keeps him out, and you in, is the connection between affirming the truth of the word and the Trinity and treasuring the value of the word and the Trinity.

Origin. The semantic conception of truth, which is related in different ways to both the correspondence and deflationary conceptions, is due to work published by Polish logician Alfred Tarski in the 1930s. Tarski, in "On the Concept of Truth in Formal Languages", attempted to formulate a new theory of truth in order to resolve the liar paradox. In the course of this he made
