It's time again for Shortcuts. For every question, I'll give my advice in three sentences or less, because sometimes the answer to a person's question is so obvious and the need to hear it so great, being as clear and frank as possible is simply the best way to go.

Dear Wendy: "What's the Best Way to End a Booty Call ...

The bald eagle is not only our nation's most recognizable natural symbol, and the only eagle found exclusively in North America, it is also the endangered species act's most prominent success story, and a reminder of how important are the protection of our wildlife, critical habitat and natural resources generally.

Skepticism (American English) or scepticism (British English, Australian English, and Canadian English) is generally a questioning attitude or doubt towards one or more items of putative knowledge or belief. It is often directed at domains, such as the supernatural, morality (moral skepticism), theism (skepticism about the existence of God), or knowledge (skepticism about the possibility of ...

Quotes About Finally Being Happy

Everything in this library relates to the work that leaders of volunteers do daily. This particular section, however, looks at the context of the role of volunteer resources manager (VRM); things that do not always fit into neat categories, such as educating paid staff, fighting negative stereotypes about volunteers, being an in-house advocate, and more.

If SQL Server's Transactional Replication was an animal, it would be a cockroach. It's not pretty, but it's resourceful and strong. Once you get even a small amount of replication in your environment it starts spreading everywhere. And if it gets out of control- well, in that case you've ...

Introduction to SQL Server Transactional Replication

The next year, Alan Ladd was the black knight in the film of the same name. The story bore little relationship to Arthur, but at least some of it was filmed at Castell Coch, a real-life (if nineteenth century!) castle in South Wales, home of the Silures tribe and a possible haunt of Arthur 1,500 years earlier.
