The word "psychopath" usually evokes images of movie villains like the Joker, John Doe, and Anton Chigurh. Of course, Hollywood isn't always accurate in its portrayal of psychos, but there's one fact it always gets right—psychopaths are scary. They lack empathy, which means they don't feel guilt, and they're extremely impulsive.

What is Transhumanism? <https://whatistranshumanism.org>. Transhumanism is a way of thinking about the future that is based on the premise that the human species in its current form does not represent the end of our development but rather a comparatively early phase.. Transhumanism is a loosely defined movement that has developed gradually over the past two decades.
