If this was a crisis in 2007, it's now 1000 times worse in the Obama Administration. Fealty to the government holding power has become the primary characteristic of senior military leadership--even when that government acts in contravention to the Constitution and to assure the destruction of civil society.

The Silent Generation is a generation of people born in the United States between roughly 1923 and the early 1940s. Members of this generation experienced vast cultural shifts in the United States, and many of them struggled with conflicted morals, ideas, and desires.

What is the Silent Generation? (with pictures) - wisegeek.com

Groups of deaf people have used sign languages throughout history. One of the earliest written records of a sign language is from the fifth century BC, in Plato's Cratylus, where Socrates says: "If we hadn't a voice or a tongue, and wanted to express things to one another, wouldn't we try to make signs by moving our hands, head, and the rest of our body, just as dumb people do at present?"

Sign language - Wikipedia

Each year in May at the American Towman Showplace in Las Vegas, the California Tow Truck Association holds its cornerstone event: CTTA Industry Leaders & Awards Night. The prestigious Rich Chappel Industry Leader Award is given out during the event to the selected recipients due to their positive influence on the towing industry, without thought of recognition.
