The Bone Church Victoria Dougherty

The Bone Church by Victoria Dougherty is an historical thriller that skillfully weaves two stories into one. One story is set in 1956, a mission to smuggle a woman from Czechoslovakia, aided by the Vatican. The other story line is set in German-occupied Prague during World War II. Both plots involve Magdalena and Felix.

Review: The Bone Church by Victoria Dougherty - The Lit Bitch

A fascinating combination of historical exploration of real places and time-periods in history, and the fictional tale of two young people, THE BONE CHURCH, opens with the story of two fugitive lovers, whose lives are impacted by the natural death of her mother (in difficult circumstances), and the murder of his father (and their protector) by the Nazi's.

Review - THE BONE CHURCH, Victoria Dougherty ...

'The Bone Church' by Victoria Dougherty is a beautifully crafted piece of fiction. The writing is spare and tense, and the reader is drawn skilfully into a world of mistrust and paranoia. - by Diogenes (Amazon) This is so much more than just a novel -it is a painting.
