My Lois Duncan jag continues with The Third Eye, a supernatural thriller first published in 1984 and revised by the author in 2012 with superficial updates including what the Young Adult reader of today is wearing and how they're communicating. "Superficial" might be too strong for a book that dispenses with high school soap opera to plunge its eighteen year old heroine into existential dread involving ESP, an aloof mother, a mysterious young cop and a gang of kidnappers.
