DeMille is my favorite "page turner" author and The Charm School is one of my favorite DeMille books. In the book, The Charm School is a secret outpost where KGB agents learn how to be Americans...it's essentially a replica of American life built in the Russian wilderness...right down to fake 7-11 stores.

### **The Charm School by Nelson DeMille: Mini Book Review ...**

DeMille followed it with a stream of bestsellers, including the post-Vietnam courtroom drama Word of Honor (1985) and the Cold War spy-thriller The Charm School (1988) Critics praised DeMille for his sophisticated plotting, meticulous research and compulsively readable style.

The Charm School. In this exciting, polemic novel, DeMille (Word of Honor) limns an authentic portrait of Russian society. He conveys the claustrophobic life of American Embassy officials impossibly restricted in movement, and he creates spirited American agents who dodge and spar wittily with coarse KGB men.

Maybe the Charm School itself is not truly realistic but it doesn't matter. This was a book that made me want to call in sick from work and just get into it until the end. It is not a happy book and not totally a happy ending but it is a glimpse of a piece of our history with Russia that certainly could have happened and in other ways, probably ...

The Charm School by Nelson DeMille was an extremely long, detailed look into a fictional scenario in which the Russian KGB had a secret spy school for the past two decades. Despite the length of the book, over 700 pages in the paperback, I found the book to be engrossing from the beginning to the end.
