The Baby Sitter II Point

The middle of the twentieth century was marked by a significant and persistent increase in fertility rates in many countries of the world, especially in the West, resulting in the famous baby boomer generation. Although the baby boom traditionally considered to be the post-war phenomenon started immediately after World War II, some demographers place it earlier, at the increase of births ...

A child safety seat is a seat designed specifically to protect children from injury or death during vehicle collisions. Most commonly these seats are purchased and installed by car owners, but car manufacturers may integrate them directly into their vehicle's design and generally are required to provide anchors and ensure seat belt compatibility.

The Spear Counterpart is referred to as Papa Wolf rather than "Papa Bear". Disneyfication aside, male bears are notoriously poor parents in the animal kingdom (infanticide among bears is the main reason why mama bears are so protective in the first place), whereas male (and female) wolves will react to their offspring being threatened in a very similar manner to mother bears.
