The Gargoyle follows two different time lines, one in the form of a story [or 'memory'], and one in real time. In real time, an unnamed atheist and former hardcore porn star with a troubled childhood is driving under the influence of alcohol and drugs. Hallucinating that a volley of arrows is being shot at him from a forest,...

Umberto Eco and Michael Ondaatje can rest easy. The Gargoyle is an oblique version of the Beauty and the Beast tradition, a testament to the redemptive power of love, but its ambitious reach can't disguise a truly pedestrian effort that would have benefited from some serious editorial debridement. It's bound to be an international bestseller.
