On an APA-style reference page, the rules for titles are a little different. In short, a title you would italicize within the body of a paper will also be italicized on a reference page. However, a title you'd place in quotation marks within the body of the paper (such as the title of an article within a journal) will be written in normal lettering and will not be in quotation marks.

When writing a paper, do I use italics for all titles ...

Regardless of the fact that the USN are pompous idiots who want to fixate on aircraft carriers re: the flush-deck USS United States etc., if we are going to have them, their island superstructures need to FOLD DOWN or somehow clear their flight decks so their full width can be used by larger planes like even 4-engined C-130s.. This is Not a New Problem...
