The Long Way Down (Daniel Faust #1) A man named Faust should know what happens when you rub shoulders with demons. Still Daniel can't resist being drawn to Caitlin's flame as they race to unlock the secret of the Etruscan Box, a relic that people all over town are dying -- and killing -- to get their hands on.

The Long Way Down (Daniel Faust, #1) by Craig Schaefer

The Daniel Faust series is an entertaining yet forgettable experience, this review is specifically about the first book but many of my points carry on throughout the set. In the Long Way Down you are thrown into a world of magic and mystery given the explanation of basically 'that's just how it is'.

What other book might you compare The Long Way Down to and why? The obvious comparison is Butcher's Dresden books, which might not be fair since Butcher's had what, nearly 20 books to develop his characters and style? If anything, stack it up against the -first- Dresden book, and I think it compares favorably.

And so they set off on their 15,000-mile journey with two new BMWs loaded up for the trip. Joining up with producer/directors Russ Malkin and David Alexanian and the Long Way Round team, their route took them from John O'Groats at the northernmost tip of Scotland to Cape Agulhas on the southernmost tip of South Africa.

Long Way DOWN

The long way down was so, so awesome. It's got a morally grey lead, it's got a sassy and very strong female character (not quite the lead, but I'll take what I can get), it's also got great world-building and an amazing pace. While it might be quite gory and dark, this is not something you wouldn't expect from an urban fantasy.
