The tiny, cute, slutty bitch boi tapped his chin a few times in thought as he weighed his options. On one hand, he liked when guys walked over to a mirror and showed him just how badly they were ruining his sweet little boi pussy, mocking and teasing him for how small his little clitty looked flopping up and down, squirting pathetic, watery cum every time that stud bashed against his P-spot in ...

Part I In all arts and sciences which embrace the whole of any subject, and do not come into being in a fragmentary way, it is the province of a single art or science to consider all that appertains to a single subject. For example, the art of gymnastic considers not only the suitability of different modes of training to different bodies (2), but what sort is absolutely the best (1); (for the ...

Warnings: it's pretty fluffy, mentions going to the doctor's, and Gwil's a little shit. Word Count: 1753. Side Note: This was a prompt/idea I took from @borhap-socials's ask and I just kind of ran with the idea and tried to make it my own. Critique is always appreciated. I hope you all enjoy and happy reading! Ever since the doctor's confirmed that Gwil has terrible circulation, so ...

The Rosicrucian Cosmo-Conception Chapter XII Evolution on the Earth. The Polarian Epoch. While the material which now forms the Earth was yet a part of the Sun, it was, of course in a fiery condition; but as the fire does not burn spirit, our human evolution commenced at once, being confined particularly to the Polar Region of the Sun. . The highest evolved beings which were to become human ...
