Yard with Lunatics (Spanish: Corral de locos) is a small oil-on-tinplate painting completed by the Spanish artist Francisco Goya between 1793 and 1794. Goya said that the painting was informed by scenes of institutions he had witnessed as a youth in Zaragoza. Yard with Lunatics was painted around the time when Goya's deafness and fear of mental illness were developing and he was increasingly ...

Doctor's Note. In case you missed my previous video, check out Is Orthorexia a Real Eating Disorder?. Stay tuned for The Orthorexia Nervosa Test. You simply won't believe how they "diagnose" this thing. While, as I think you'll clearly see after watching the entire three-part series, orthorexia cannot be considered a legitimate eating disorder, there are very real and very serious eating ...

Causes of symptoms according to Louise Hay is a good place to start if you are looking for healing. Illness however mild or severe is an indicator of your emotional state, caused by your thoughts and focus. I first came across this concept about 11 years ago when I read You Can Heal Your Life by Louise Hay. I found this book while in the depths of depression and it turned my life around in the ...

Hello Chelsey, I too considered progesterone cream to balance me out, but was put off by all the blogs on the terrible the side effects are. I now eat sweet potato and carrots to get a natural source, and they give me surprising levels of relief from my oestrogen over dominance symptoms (although it takes up to 4 hours to kick in).

The Estrogen Dominance Post: Where Its Coming From, and ...

Bipolar disorder, previously known as manic depression, is a mental disorder that causes periods of depression and periods of abnormally elevated mood. The elevated mood is significant and is known as mania or hypomania, depending on its severity, or whether symptoms of psychosis are present. During mania, an individual behaves or feels abnormally energetic, happy, or irritable.

Bipolar disorder - Wikipedia

The Journal is committed to generating a symposium-based publication that brings together communities of scholars, through a mutual and collaborative student and faculty process, emphasizing existing and emerging visions of the law in relation to interdisciplinary and multicultural perspectives, the implications of technology, and the consequences of economic globalization for the purpose of ...
