If you're a sci-fi time travel fan, this book has 26 stories, some old, some new. For 99 cents, it will provide hours of entertainment. Some of the stories are entertaining and pretty good, but some I didn't like at all. The advantage of reading short stories is that you can put those behind you and ...

I have a love / hate relationship with the megapack series. They often feature excellent stories, are very good value for money and I keep buying them. The frustration is the poor proof reading - they are often rife with typos and errors, and in the case of the time travel megapack, the number of stories not about time travel is notable!.....
