Bryant was sentenced to two consecutive life sentences with no chance of parole. Commemorations in D.C. and Brooklyn The 50th anniversary of the two agents' deaths was commemorated in Washington in January by the bureau's Washington field office and the Society of Former Agents of the FBI.

The Short Life and Long Legacy of FBI Agent Edwin R. Woodriffe

Short Half-Life vs. Long Half-Life Drugs. This reduction in activity is called the elimination half-life of a drug. Plasma half-life is different and refers to the rate of time it takes for a drug to no longer be in the bloodstream at all. So a drug may still show up on a drug test (as it still remains in the plasma of the blood) after it is no longer active in the body.

Ars longa, vita brevis. Ars longa, vita brevis is a Latin translation of an aphorism coming originally from Greek. The Latin quote is often rendered in English as Art is long, life is short . The aphorism quotes the first two lines of the Aphorismi by the ancient Greek physician Hippocrates.

Ars longa, vita brevis - Wikipedia

Again, the biggest differences are between the short- and long-term trends for marriage and homeownership, respectively. However, across all of the normative life events generally considered part of the transition to adulthood, the long-term (or average) trend is toward mobility below the observed average.

Life is such a beautiful gift given by God to us, but many people fail to understand the actual real beauty of life. Life is too short to waste your time of assuming things which has nothing to do with reality. Life is too short to live on other expectations.

Is life too long or too short? - Quora

Since he devised that solution in the early 60s for the Center for Hydrographic Studies in Madrid, Fisac used the bone system to span long distances column-free. The head of the beams that stick out would form the wing and would show its section to the exterior, in a display of radical expression and absolute construction sincerity.

The Short Life and Long History of The Pagoda - MAS CONTEXT

Most boards define the timeframe for short-term goals as goals they'd like to achieve in under five years and more likely within one to three years. Boards should place goals that will take a minimum of five to 10 years to achieve in the long-term goal planning stage, using the mission statement as a guideline.
