Date Reason; September 24, 2011: Added some notes reflecting back on the decade of the war on terror: April 15, 2007: Note about critics of Bush Administration and peace marchers being common reasons for adding people to US government no-fly lists.

War on Terror — Global Issues

War on terrorism, term used to describe the American-led global counterterrorism campaign launched in response to the terrorist attacks of September 11, 2001. In its scope, expenditure, and impact on international relations, the war on terrorism was comparable to the Cold War; it was intended to represent a new phase in global political relations and has had important consequences for ...

war on terrorism | Summary & Facts | Britannica.com

Presidency of the United States of America, chief executive office of the United States. In contrast to many countries with parliamentary forms of government, where the office of president, or head of state, is mainly ceremonial, in the United States the president is vested with great authority and is arguably the most powerful elected official in the world.
