Adapting a superhero born of the black exploitation period always has its challenges, and with Black Panther's cast of comic book heroes and villains, few were more obvious than "Man-Ape," leader of a rival clan of gorilla-worshipping warriors. In the comics, Man-Ape dressed up in a gorilla suit, physically embodying the white gorilla deity of his tribe.

Have to agree with Wild T's comments as I have been here a week and everything he stated is correct. I cannot vouch for what it was like back in 1992 when Charles came here but these days there seems to be more fillipinos than military on the island and as Wild T stated, they run, or are at least employed on, pretty much all of the infrastructure on the island.
