The Chaos Numbers 2 Rachel

The Chaos (Numbers, #2) by Rachel Ward was an incredible book. The story line was great, and I loved the way she actively incorporated mystery, suspicion and action all into the story equally. Adam has been born with the same genetic gift as his mother.

The curse of the NUM8ERS continues in Rachel Ward's CHAOS sequel, told in the compelling alternating voices of runaway Sarah and hard-luck Adam. Adam inherited his mother Jem's curse. With a vengeance. When he stares into someone's eyes, he doesn't just see the date of their death, he feels the searing, shocking pain of it. Orphaned, Adam has grown up by the sea with his great-grandmother ...

Numbers #2: The Chaos by Rachel Ward - Hardcover Book ...

If you are looking for a book that keeps you on the edge of your seat than I highly recommend reading The Chaos by Rachel Ward. I loved the first book in the series Numbers, but I definitely think the author out did herself on the sequel. The entire time I was reading this book I was fighting the urge not to flip to the end to find out what happens.

The Chaos returns with Jem's son, Adam, who as we discovered at the end of the last book can see the numbers as well. This time around, however, the stakes are much, much higher. When flooding causes Adam and Nan to move back to London all Adam can see anywhere is the numbers 01012027, and they are all violent deaths, so he knows there is something off.

The Chaos (Numbers Series #2) by Rachel Ward, Hardcover ...

Can the numbers be altered? By the end of the book, all these questions are answered fully and a lot more besides, in an exciting and terrifying roller coaster of a thriller novel. As well as all the high-octane action and terror, there's also a bit of romance, and i loved how Adam's and Sarah's relationship came together so perfectly.

Numbers: The Chaos by RACHEL WARD by Aamir Ansari on Prezi

For fans of the series or those of you who have read its predecessor and are on the fence about it, I recommend you read Numbers 2: The Chaos. I personally enjoyed it much more than Numbers. For readers who haven't read the first in the series, I still recommend you read this one as it can very easily be a stand-alone novel.
