Broly as an infant, bothered by the constant fussing of Kakarot, the baby in a neighboring cradle. Broly was born in Age 737, during the period of intense turmoil between Frieza and the Saiyans. At birth, his most curious feature was his inordinate power level of 10,000. This anomaly meant that by birth, Broly's power had already been close to that of Bardock and King Vegeta at the time of ...

The raids were the worst part of it all. Living near humans—Vikings, as the Queen calls them—is dangerous enough as it is. They are naturally destructive creatures, after all. They kill for sport even during the bountiful summer season, they tear apart the land and carve into the very mountains to fit their needs, and they hold grudges that are rather impressive even to a dragon such as myself.
