The Democracy Project A History

Democracy (Greek: δημοκρατία *dēmokratía*, literally "rule by people") is a system of government where the citizens exercise power by voting. In a direct democracy, the citizens as a whole form a governing body and vote directly on each issue. In a representative democracy the citizens elect representatives from among themselves. These representatives meet to form a governing body ...

Democracy - Wikipedia

The history of direct democracy amongst non-Native Americans in the United States dates from the 1630s in the New England Colonies. Many New England towns still carry on that tradition in the form of open town meetings

Public ownership is more widespread and popular in the United States than is commonly understood. This book is the most comprehensive and up-to-date analysis of the scope and scale of U.S. public ownership, debunking frequent misconceptions about the alleged inefficiency and underperformance of public ownership and arguing that it offers powerful, flexible solutions to current problems of ...

The Democracy Collaborative

Direct democracy, also called pure democracy, forms of direct participation of citizens in democratic decision making, in contrast to indirect or representative democracy, based on the sovereignty of the people. This can happen in the form of an assembly democracy or by initiative and referendum with ballot voting, with direct voting on issues instead of for candidates or parties.

direct democracy | Definition, History, & Facts ...

South Africa's successful struggle for freedom and democracy is one of the most dramatic stories of our time. The racial tyranny of apartheid ended with a negotiated transition to a non-racial democracy, but not without considerable personal cost to thousands of men, women, and young people who were involved.
