The Color Of Water A

The Color of Water: A Black Man's Tribute to His White Mother, is the autobiography and memoir of James McBride first published in 1995; it is also a tribute to his mother, whom he calls Mommy, or Ma. The chapters alternate between James McBride's descriptions of his early life and first-person accounts of his mother Ruth's life, mostly taking place before her son was born.

The Color of Water - Wikipedia

That cool, refreshing glass of water on a hot day may appear colorless, but water is actually a faint blue color. The blue color becomes visible when we look down into, or through, a large volume of water. We see water in a variety of ways. It may be colored by particles, the presence of bacteria ...
