Since 1942, we have been in the purebred swine business. Raising hogs is our love, it is our passion. Whether you are a young 4H member looking for champion project pigs, a commercial producer looking for performance genetics or a foreign pork producer wanting to buy top American genetics we have pigs for you. We take great pride in the fact that we have produced many champion pigs and that ...

As with any other bodily attribute, the length and girth of the penis can be highly variable between mammals of different species. In many mammals, the size of a flaccid penis is smaller than its erect size. In the realm of absolute size, the smallest vertebrate penis belongs to the common shrew (5 mm or 0.2 inches). [citation needed]A bone called the baculum or os penis is present in most ...
