The Publicist Book One And

A publicist is a person whose job is to generate and manage publicity for a company, a brand, or public figure – especially a celebrity – or for a work such as a book, film, or album. Publicists are public-relations specialists who have the role to maintain and represent the images of individuals, rather than representing an entire corporation or business.

Powers' (Orfeo, 2014, etc.) 12th novel is a masterpiece of operatic proportions, involving nine central characters and more than half a century of American life. In this work, Powers takes on the subject of nature, or our relationship to nature, as filtered through the lens of environmental activism, although at its heart the book is after more existential concerns.

THE OVERSTORY by Richard Powers | Kirkus Reviews

I honestly have to say that this is the best software for both beginning and continuing publicists they can ever encounter! This software is easily accessible (per whichever download and purchase price you choose from) and not very hard to use....We would very much like to thank the designers of BookCoverly as they have made our "publishing lives" a bit more easier to handle!
