### **The Book on the Bookshelf: Henry Petroski: 9780375706394 ...**

Henry Petroski is fascinated by the design of everyday objects, and how the seemingly-simple technology of items like pencils, forks, and paperclips have evolved and improved over time. In this volume, he examines the history of - not books per se - but books on bookshelves, which is a very different topic. If you are seeking a deeper understanding of printing and binding methods, or the impact ...

### **The Book on the Bookshelf by Henry Petroski - Goodreads**

Book-lover though he may be, however, Henry Petroski is, first and foremost, an engineer and so, in the end, it is the evolution of bookshelves even more than of books that fascinates him.

### **The Book on the Bookshelf by Henry Petroski - Thriftbooks**

A book on the bookshelf is something to be taken down and read; the bookshelf under the book is something to be installed and forgotten. The one object is in service to the other, superior to the other -- or such is the conventional wisdom -- and the inferior object is something we seldom think about or have reason to.

### **The Book on the Bookshelf by Henry Petroski, Paperback ...**

The Book on the Bookshelf ~ by Henry Petroski (1999, history) is about the shelves where we put our books. I'll start with a couple of quotes from the book: "The recessed alignment of books on my bookshelves also gives me a narrow shelf space before the books where I can keep mementos like pencils and letter openers.

### **Bonnie's Books: The Book on the Bookshelf ~ by Henry ...**

Henry Petroski answers these and virtually every other question we might have about books as he contemplates the history of the book on bookshelf with his inimitable subtle analysis and intriguing detail. "After reading this book, you will not look at a book or a bookshelf in the same way." —The Seattle Times
