Interviewing Principles . Reporters conduct two kinds of interviews: · News interview: The purpose is to gather information to explain an idea event or situation in the news. · Profile: The focus is on an individual. A news peg often is used to justify the profile. For effective interviews, reporters prepare carefully, and they ask questions that induce the source to talk freely. Questions ...

The Advanced Passenger Train (APT) was a tilting high speed train developed by British Rail during the 1970s and early 1980s, for use on the West Coast Main Line (WCML). The WCML contained many curves, and the APT pioneered the concept of active tilting to address these, a feature that has since been copied on designs around the world.
