Overview. Culturally, the 1990s are characterized by the rise of multiculturalism and alternative media, which continued into the 2000s and 2010s. Movements such as grunge, the rave scene and hip hop spread around the world to young people during that decade, aided by then-new technology such as cable television and the World Wide Web.. In the absence of world communism, which collapsed in the ...

A story is not a story until it's heard. "Love, I realised, is a state of being that emerges from a practise. You develop love through intimacy, truth-telling and truth-listening, custodianship, and the simple act of being together: hiking, fishing, birdwatching, camping, breathing, smelling, touching, eating Country."
