1. Satan and The Devil in World Religions. #christianity #comparative\_satanism #religions #satan “Many religions contain an enemy of the system: a being that questions why things are the way they are, who challenges the supreme power(s), who accuses them of hypocrisy and who leads mankind away from cosmic ideals of subservience and acquiescence 1. Satan often represents the world itself 2.

You may think that you know the story of Moby Dick, but until you have read this book, you cannot understand its power. The power comes from the rich descriptions of whalers, those who worked the ships, the history of whaling, the knowledge of whales, and how in the 19th century they were so crudely hunted and butchered on the open seas.

From pigments to printing presses, symbols have been part of human communication from the very first day of mankind's existence. The imperfection of speech, which undoubtedly allowed the sharing of ideas and stimulated invention, eventually resulted in the creation of new forms of communication, improving both the range at which people could express themselves and the longevity of information.
