Motivational leadership refers to someone leading others by motivating them to strive for certain goals rather than simply act on orders. The leader tries to create a safe and trusting environment, and ensure the organization is positioned for success in its domain—for example, a company in the marketplace.

"Leadership is influence." — John Maxwell This is a list of my favorite and noteworthy best leadership books. When I think of leadership, I think of influence, change, connection, conviction, inspired action, empowerment, decisive action, forward-thinking, and vision. The leadership books below help provide leadership skills, including mindsets, methodologies, and methods.

2019 Topics Theme: Center Stage: Standing Out & Speaking Up. Leveraging Intersectionality in the Workplace A term originally coined by Kimberle Crenshaw, intersectionality reminds us that our identities are not defined by a singular part of our background. While we are all connected as women, it is important to note that all aspects of our identity intersect.
