Heaven, or the heavens, is a common religious, cosmological, or transcendent place where beings such as gods, angels, spirits, saints, or venerated ancestors are said to originate, be enthroned, or live. According to the beliefs of some religions, heavenly beings can descend to earth or incarnate, and earthly beings can ascend to heaven in the afterlife, or in exceptional cases enter heaven alive.

Be on guard! Be alert ! You do not know when that time will come. 34 It's like a man going away: He leaves his house and puts his servants in charge, each with his assigned task, and tells the one at the door to keep watch. 35 "Therefore keep watch because you do not know when the owner of the house will come back—whether in the evening, or at midnight, or when the rooster crows, or at ...

1. Introduction to the Heavenly Realms:. The consensus among the mystical traditions of the major religions is a cosmology consisting of a hierarchy of 10 afterlife realms plus 1 top-level divine realm. This agrees with a leading interpretation of quantum mechanics called Superstring theory which calculates the universe is comprised of 10 dimensions plus a top-level "brane" dimension.

Preface. A thought conceived but not expressed is at best only an unborn child, not only without any influence on the world, but of whose very existence the world may be unconscious; but once brought forth it becomes part of the living working universe, to work there its appointed season, and possibly to leave its mark for good or evil on all successive time.
