Introduction. The Bible, the Qur'an, and Baha'i and Zoroastrian scriptures have a few passages which condemn homosexuality. An out of context interpretation of these passages has been used as justification for persecution of homosexuals, ranging from ridicule, exclusion, and attempts to alter behavior, to imprisonment and even execution.

Strategy On every page, try to sound like a storyteller. You can look carefully at the picture to say what the character is doing and what the character is saying. Teaching Tip You can teach this to readers who are reading a familiar story as a way to prime them to try to remember what characters say and do. This also works well in a book that is unfamiliar.
