I have serious objections to much of the frugal advice that is being offered these days, especially the focus on quick-fix extreme measures. Extreme frugality is like a crash diet... it's unhealthy and almost impossible to live with long-term...

### **Don't Confuse Playing at Frugality With Living Frugally**

Frugality is a popular concept in the world of retirement investing. A low cost of living has a double benefit – you spend less/save more, and a lower net worth is required to support early retirement. But most people don't want to live uber-frugally, ourselves included. That's why we just ...

Frugal Has Surprising Roots. Those who are frugal are unwilling to (lavishly) enjoy the fruits of their labors, so it may surprise you to learn that frugal ultimately derives from the Latin frux, meaning "fruit" or "value," and is even a distant cousin of the Latin word for "enjoy" (frui).The connection between fruit/value and restraint was first made in Latin; the Middle French word that ...
